

SUMMER ALLELUIA

A Gospel Greeting

by Nick Baty

While the assembly sings the melody, your choir or cantors can choose from several verses set to two different melodies. All three themes work together so the music can build up as the Gospel procession approaches the lectern.

Concept Music

Concept Music was founded in 2004 to share the music sung in an ordinary parish in Liverpool with ordinary parishes like us who love to sing.

We don't publish choral music but we do publish music for the assembly which includes parts for the choir – as well as for flutes, trumpets, pianos and even maracas.
